Hello from the PTA!

I would like to personally welcome everyone to another exciting year at Springridge Elementary. The Springridge PTA Board has been working hard on your behalf over the summer to ensure that this year promises to be the very best ever. We are not only dedicated to doing fundraising events to benefit the school but have activities planned for the students and families that we will be bringing to you courtesy of the PTA.

Parent involvement is one of the most important factors in the success of a school. Of course, we're not all work! The PTA coordinates several fun events throughout the year that bring our students, families and staff together to enjoy our wonderful spirit of community and this year is no different. We have kept some of the favorites but added some new family events that is sure to please everyone. We look forward to getting your feedback this year on what we can do to make this year a huge success for the students, parents, teachers and staff. Visit our website at [www.srepta.org](http://www.srepta.org) and let us know your thoughts on what you would like to see your PTA accomplish.

We invite you to attend our PTA meetings! For a list of dates and times, please visit our website. It is a great way to find out what is happening at our school, get involved with PTA special events and fundraisers, meet other involved parents and enrich your child's educational experience. With your help we are looking forward to an AMAZING 2015-2016 school year!
